Disclaimer

1. Content of the Online Offer

The author and publishers of this website take no responsibility for the completeness, accuracy, correctness or quality of the information provided, nor do they guarantee that the information provided is up-to-date. The author and publishers are not liable for any damages arising from the use of any false or incomplete information on this website, unless it can be proven that the misinformation was provided deliberately or through gross negligence on the part of the author or publishers.

All offers on this website are non-binding and subject to change. The author and publishers expressly reserve the right to modify, supplement, delete, or temporarily or permanently suspend the announcements on and publication of this website (either in whole or in part) without prior or special notice.

2. Limitation of Liability for References and Links

Direct or indirect hyperlinks from this website may lead to other, external websites that are not maintained by the author and publisher. The author and publishers of this website make no warranty as to the security of any information or services provided by external links. Any use of information provided on this website or on sites hyperlinked to this website are at the user's own risk. The liability of author and publisher extends only so far as it can be proven that they had prior knowledge of the information and that it would be both reasonable and technically possible for them to prevent the use of any illegal contents.

Herewith, the author explicitly declares that there were no illegal contents recognizable on the sites which were to be linked at the moment of setting the links. The author has no influence at all on current or future configurations, on contents, or on the authorship of linked sites. Therefore, the author explicitly dissociates himself from all contents of all linked sites that changed after the setting of the links. This declaration is valid for all set links and references within the own internet offer, as well as for third party entries in the guest books, discussion forums/boards, link directories, mailing lists and all other forms of databases which are accessible and vulnerable to modification by third parties. In case of illegal, faulty or incomplete contents, in particular in case of damages arising from the use or non-use of any information provided, the provider of the site accessed via link or reference from this website shall be liable, not the author or publishers of the website simply containing the link or reference to this publication.

3. Copyright and Trademark Legislation

The author and publisher of this site endeavour to preserve the copyrights of graphics and texts appearing on the site, to make use of own graphics and texts or to use licensed graphics tone clips, video sequences and texts.

Any trademarks mentioned within the website offer and possibly protected by third party copyrights are subject to unrestricted liability regarding the applicable valid trademark legislation and the property rights of the respective registered owner. The mere use of trademarks is not to be considered proof that these trademarks are not protected under third party copyright!

The copyright for the publications produced by the author himself shall remain with the author of the website. Any reproduction or use of graphics, tone clips, video sequences and texts in other electronic or printed publications shall not be permitted without the explicit consent of the author.

4. Data Protection

If it is possible to enter personal or business data (e-mail addresses, names, addresses), then this data shall only be disclosed by the user on an expressly voluntary basis. The entry of anonymous data or a pseudonym in place of personal data for the use and payment of all services offered is permitted insofar as this is reasonable and technically possible. The third party use of any published contact data listed in the imprint or elsewhere on the website (postal addresses, telephone and fax numbers, e-mail addresses) for the sending of unsolicited, unrequested or undesired information is prohibited and shall not be tolerated. The author and publishers of this website reserve the right to take legal action against senders of so-called spam-mail in the event of any infringement against this prohibition.

5. Legal Validity

OUR WEBSITE USES COOKIES

This disclaimer forms part of the website containing the link to this page. In the event that individual parts of our website uses cookies to provide our services to you. Third party cookies are also used. By giving your approval, you agree that we may use cookies. You can change the cookie settings at any time. Formulations contained in this text are not, or are no longer, legally valid (either in whole or in part), the content and

validity of the remaining parts of the document are not affected.

Required Cookies These cookies are required for the basic functions of the website. Therefore, you cannot deactivate them. No personal data is collected or stored.

Functional Cookies These cookies allow us to analyze the website usage so that we can measure and improve its performance. No personal data is collected or stored.
