Saxony-Anhalt: Competence in Biotech & Pharma

Saxony-Anhalt provides the ideal "plug & play"- environment for biotech companies from the entire range of pharmaceutical, plant-based and industrial biotechnology. You will find excellent conditions with specialist R&D focus at dedicated sites like the Weinberg Campus, the BioPharmaPark, the Central Germany Chemical Triangle and the Biotech Start-Up Center. Saxony-Anhalt offers immediately available commercial and laboratory space, rapid administrative and funding decision-making, and close networking between science and industry.

Biotech center Saxony-Anhalt as investment location

Sites for biotechnical and pharmaceutical plants

- Biopharmaceutical industrial parks
- Available and fully-zoned sites at moderate costs in a flat area

Incentives

- Investment incentives up to 30 % of eligible costs
- Research and development subsidies up to 80 %
- Personnel training incentives up to 80 %

Available and skilled labor

- More than 55,000 students
