## LOGISTICS

### SAXONY-ANHALT

**More and more businesses from abroad** value **Saxony-Anhalt as a place of access** for the European market. Its uniquely favourable location in the heart of Europe and Germany as well as its modern and networked infrastructure guarantee rapid logistics. For example, with the **second largest freight airport in Germany**, Leipzig/Halle. Or the port of Magdeburg, the **second largest inland port on the river Elbe**. In Saxony-Anhalt, logistics providers are at the heart of things – because **HERE** is your logistics interface.
