ERDF funding at the joint stand

With its joint stand, the state of Saxony-Anhalt offers important support in this area in order to give small and medium-sized enterprises important access to new markets. With the organization of the joint stand, an economic contribution is made by the IMG realizing the entire preparation, implementation and follow-up of the trade fair. The Investment and Marketing Company (IMG) acts on behalf of the Ministry of Economy, Science and Digitisation and works with funds from the European Regional Development Fund (ERDF).
