

# 7th International Bioeconomy Conference

06.06.2018 - 07.06.2018

The **7th International Bioeconomy Conference** is taking place from **June 6th to 7th 2018** at the German National Academy of Sciences (Leopoldina) in Halle. The two-day event under the motto "Bio meets Economy – Science meets Industry" offers interesting lectures on the topics of:

- (1) social-economic issues of the Bioeconomy
- (2) challenges and chances within the forest based Bioeconomy
- (3) plant productivity for a growing Bioeconomy
- (4) the pathway to success with biotech products
- (5) research highlights funded by BMBF (Federal Ministry of Education and Research)

The **partner region 2018** will be **Scandinavia**. In addition to that we will discuss results and approaches of the **Bioeconomy Model Region of Central Germany** in special subsessions and lay a higher focus on networking opportunities such as on our **networking dinner** after the first conference day at 7:00 pm.

For your registration, please use the online form. For further information please visit the conference website [www.bioeconomy-conference.de](http://www.bioeconomy-conference.de).

Please feel free to forward this invitation to anyone who might be interested *We would be delighted to welcome you at the conference.*
